Additional Information Forthcoming
HAVE A SAFE AND FUN SUMMER!

PLEASE NOTE: If Brighton and/or Hartland Public Schools close for inclement weather (not mechanical failure), Brighton Montessori closes. The school and childcare will close if the Brighton Montessori facility experiences mechanical failure. Please listen to 93.5 FM or call the school for a VOICE MAIL message that will be posted as soon as possible. Should there be a DELAY for either school system, Brighton Montessori will open as soon as a staff member can safely arrive at the building. Please call the school to verify that a staff member is there to greet you and your child.
